

**FOR IMMEDIATE RELEASE**

## **TESLA RETURNS TO MYSTIC LAKE WITH THEIR KEEPIN' IT REAL TOUR 2025 OCT. 3 AND 4**

***Tickets on sale May 9***

PRIOR LAKE, Minn. – May 5, 2025 – Prepare to rock out when Tesla returns to the Mystic Showroom with their Keepin' It Real Tour 2025 at 8 p.m. Friday, Oct. 3, and 8 p.m. Saturday, Oct. 4, 2025.

Tesla may have been born in the mid-'80s, but their bluesy, soulful sound is strongly embedded in the roots of organic, authentic '70s rock and roll. The same roots that produced bands like The Allman Brothers, Grand Funk Railroad, AC/DC, Lynyrd Skynyrd and Aerosmith.

Their 1986 Platinum debut album, "Mechanical Resonance," included Top 40 hits like "Modern Day Cowboy" and "Little Suzi." 1989's double-Platinum, "The Great Radio Controversy," included hits like "Heaven's Trail (No Way Out)" and "Love Song."

In 1990, the band helped reshape the face of modern rock music with "Five Man Acoustical Jam." The Platinum live album produced their biggest hit single to date, a cover of Five Man Electrical Band's "Signs." Other '90s albums include the Platinum-selling "Psychotic Supper" and Gold-selling "Bust a Nut."

The band continues to record and release material, with nine new albums since 2000. Their legacy is alive and well as they continue to record and sell out venues all over the world. For more information, visit [teslatheband.com](http://teslatheband.com).
